

“Proud to be GI”

I'm proud to be a GI Nurse
Though some may say there's nothing
worse.
I wholeheartedly disagree
Because I know GI is the place to be.
I'm proud to be a member of the GI staff
Who can work together and share a laugh.
I'm proud to be a part of this special group
Who take great care of kids who cannot poop.
Our team has guts and big hearts too.
There's really nothing I'd rather do.
I'm very proud, oh can't you see
Because GI is **The One** for me!
